

# A gift from the heart

## *Christmas Appeal*

The Gift from the Heart Christmas appeal aims to bring joy to local Aboriginal Children who may otherwise miss out on opening a gift this Christmas, simply because their families are not able to afford it.

Will you give the gift of joy this Christmas?

*Donate  
a gift*

## Gifts for Ages 3-15

### Grasshopper Environmental and Bungarribee Connection have come together to launch the *Gift from the Heart Christmas Appeal*.

Grasshopper Environmental works in partnership with Bungarribee Connection to address the needs of the local Aboriginal Western Parklands community and the Environment.

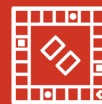

The Gift from the heart Christmas Appeal aims to bring joy to local Aboriginal Children during Christmas - Children who may otherwise miss out on opening a gift, simply because their families are not able to afford it.

This Christmas, we are reaching out to ask for your kind gift donation. Whether its a book, a toy, a teddy bear, or perhaps a ball they can play with, your gift will ensure our local Aboriginal children can participate in the joys of Christmas.

Will you give the gift of joy this Christmas?
